Wimbledon Fun Day

24th August 2014

I would like to thank all the families that attended this event, the weather made the event a great success. The executive committee would like to extend the committee's thanks to Paresh Modasia for organising the venue and all those who had prepared the delicious food on the day. It was disappointing again to see that not more of the community took the opportunity to come and enjoy the day.

For all those who missed this fantastic day we would recommend that you make a date in your dairies for next year now!
